SI (PR)

Dear Richard W. Wieking, and
Honorable Judge Susan
Illston,

FILED

Greetings and good day. MAY 27 2008

I am inquiring on the above case on
the matter of having the complaint
and summons (ECF Handout) served
on the defendants. Has this been
done or will it by a U.S. Marshall, or
should I have them served myself?
I should also request leave to amend
the complaint to add Chuck Witt as
a replacement for John Doe, and also
add an individual claim for the police
department, and County as well. Please
do not close this case prematurely as
I truly feel wronged and seek justice
as there are some aspects regarding

my situation that must be brought forward. My habeas corpus appeals was denied with no reason and I'm now amending a petition to the State Supreme Court, in a more formal and less expressive manner. I'm also to take civil action against the criminal syndicate that framed me up through a State Tort/Civil Rights/RICO complaint in Superior Court. Would this effect this pending civil complaint in Federal Court, or be illegal? Please respond if you are able or mail me a copy of any "local rules of court" that may be useful, or any procedural information.

Thank you for your time.

Sincerely,
